Railroad Meeting at West Liberty.

WEST LIBERTY, Jan. 21.
Editor HAZEL GREEN HERALD:

Pursuant to the request of R. M. Pieratt, Senator from the 34th Senatorial district, by letter addressed to Judge Oscar McKenzie and County Attorney W. A. Maxey, asking them to call together the voters and taxpayers of Morgan county to meet at the court house in the town of West Liberty on Monday, January 23rd, 1888, it being county court day, a vast assemblage of the good citizens of Morgan met on yesterday to give vent and publicity to their feelings in regard to the county voting a tax to aid and encourage railroads.

Although the anti railroad men had given considerable circulation to the request of our worthy Senator, and had urged their friends to come out and, by their down cry, crush the people's hopes for aid and assistance by railroad transportation, the men who stood on the outskirts of the citadel of development to give us timely warning of the approach of friends, spread the glad news through the country, telling the people that now was the time to be up and doing and show to the world that they were not opposed to the development of their country.

Promptly at 1 o'clock the meeting of the anti railroad men was called to order, and on motion of W. A. Maxey Judge McKenzie was made chairman, and on motion of W. W. McGuire W. C. Kendall was made secretary.

Speeches were made by Col. John T. Hazelrigg, Hon. W. W. McGuire, Hon. J. W. Kendall and J. W. Steel.

Resolutions were offered by W. A. Maxey endorsing his action of R. M. Pieratt in the stand he has taken in regard to railroad meetings. W. W. McGuire offered as a substitute to the resolutions offered by W. A. Maxey to the effect that we, the people of Morgan county, ask our Senator and Representatives to enact such laws as will enable the people of Morgan county, upon the petitions of fifty land holders of Morgan to the county Judge, to vote upon the question that Morgan county vote a subscription to the capital stock of the first railroad that reaches West Liberty of not exceeding \$100,000 payable in county bonds in thirty years at a rate of interest not exceed six per cent. The vote was taken on the substitute.

Judge W. W. Cox then demanded a count of the vote, and the tellers announced 141 for and seventy-nine against the substitute. The meeting then adjourned.

Aunt Nancy Swango, has so far been the only one to notify this office of the solution of the riddle of the "Wonderful Prophet," published last week, and we herewith give her answer, which shows her to be a faithful Bible reader: "Pardon me for exposing my ignorance; I don't profess to be a great Bible reader, or at least to explain the scriptures. I will give my opinion on the wonderful prophet, as he is so common with us all. I have but one and when I hear his voice of a morning I know what he means. So did Peter when he denied Christ, hearing the cock crow he remembered what the Lord told him and he wept bitterly. I am glad I am taking THE HERALD, it has taught me something I wanted to know."

To discover spurious national bank notes, divide the last two figures of the number of the bill by four, and if one figure remains the letter of the genuine note will be A; if two remain it will be B; if three, C; and should there be no remainder the letter will be D. For example, this note I hold in my hand is registered 2461; divide the sixty-one by four and you have one remaining. According to the rule, the letter on the note as you will observe is A. In every case the rule fails you can safely bet your week's salary that the bill is counterfeit.

Exposure to rough weather, getting wet, living in damp localities are favorable to the contraction of diseases of the kidneys and bladder. As a preventive, and for the cure of all kidney and liver trouble, use that valuable remedy, Dr. J. H. McLean's Liver and Kidney Balm. \$1.00 per bottle. Sold by G. B. Swango, Hazel Green.

The town lot now occupied by the post office building is advertised for sale by the Master Commissioner on Saturday February 11th. The lot fronts twenty feet and is eighty-two feet deep and is centrally located. It will be sold at the post office door and on a credit of six months.

We this week place the name of C. C. Hanks, of Campton, at the head of our columns as the Democratic candidate for Sheriff of Wolfe county at the next August election, and in doing so apologize to Mr. Hanks for not sooner doing so. We had forgotten the matter.

Thousands of people suffer with back ache, not knowing that in most cases, it is a symptom of diseased kidneys and liver, which plasters and lotions cannot heal. The best and safest remedy is Dr. J. H. McLean's Liver and Kidney Balm. \$1.00 per bottle. Sold by G. B. Swango, Hazel Green.

H. C. Herndon, who has just recovered from a severe case of sore eyes, says that the eye water furnished by Uncle Bob Cummins effected the cure. Uncle Bob is a dead knocker on sore eyes and no mistake.

We received a letter for publication signed "J. W. T." but as we had a letter already in type from the same place and containing about the same items, we thought it unnecessary to publish it.

John A. Adams arrived home from Louisville last Saturday night.

Disease Cured Without Medicine.

A MARVELOUS INVENTION

FOR HEALING THE SICK AND CONQUERING PAIN.

A Valuable Discovery for supplying Magnetism to the human system. Electricity and Magnetism combined.

We wage no warfare against physicians or the medical fraternity generally. Their sphere of usefulness is large and we desire to aid them in furnishing auxiliary means for curing the sick. The honest physician occupies a high place in public esteem and deservedly so, but with our appliances are not a panacea for every ill they are what we claim for them and will afford a speedy cure of ailments after medicines have failed to give relief.
